COMING UP EVENTS..... Next Saturday, the 18th. Is our **Big Garage Sale**. See elsewhere for more info.. John Denyer is working his "proverbial" off to get this all together. He needs your help, yes, we are talking to you, to get stuff organised, and priced. Not a big job if there are enough hands. And help is needed on the day, to assist buyers, make sure they pay and generally keep an eye on things. Let John know how you can help him. And then, the following Tues. 21st is the **Monthly Meeting** at 10am for a 10.30 start. Came and catch up with all that is happening. It's your Shed, help to "make it great again", to pinch someone's recent slogan.

Ted Seltin and Rob Ritchie are in hospital. Our best wishes to both for a speedy return home.

It only seems like last week, the Ironman was run. John Denyer, our Ironman organiser, says it is on again Sunday 7th May. Some details of the route and the timing are yet to be sorted out but it's safe to say that it will be a **very similar event to last year's event**. If you would like to be

involved or want to know more, see John. The Shed raises a lot of money if a good number participate.

And it is a good day out (providing it is not wet).

Wayne Bowen was the lucky winner of the "Cabinet". This raffle was a good income raiser. Thanks to all who made it happen.

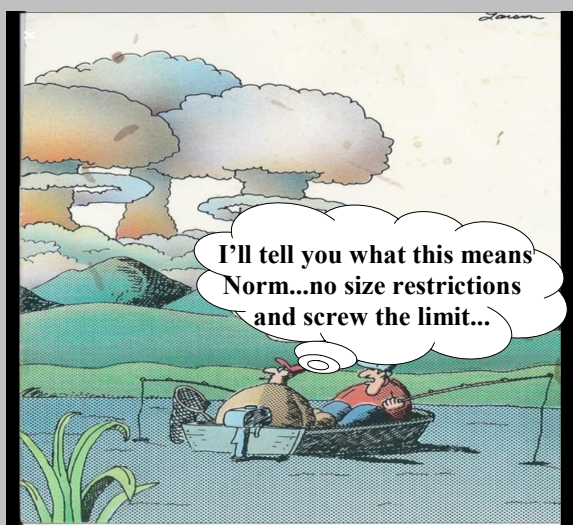

And for further down the track, there is an idea brewing, that the Shed may hold a "car boot sale" later in the year. Let the Committee know what you think of the idea. Pretty easy to organise, easy money. (Do you need a new boot for your car !???)

Our BIGGER than BIG Garage Sale is taking shape.... Next Sat. 18th @ 8am. Don't miss it. And as a Shed member here is a smattering of what's on offer. You can beat the crowd !

BEWARE PAYPAL USERS. You may get an e-mail supposedly from Paypal, advising you of a payment, likely in Euros, to someone you have never heard of. There is a prominent link, [Recovery My Account](#). "If you wish to have this amount recovered....." DON'T click. This is an attempt to access you Paypal a/c. . If you have linked your Paypal a/c to your bank a/c or credit card, the risk is increased. **Any** e-mail that you don't recognise, look at the "From" line at the top. This will be something strange and likely not .au. which indicates it came from some foreign country. These scammers are getting more and more clever. **BEWARE STRANGE E-MAIL**

Do you happen to have an old unused 'wheelie bin' laying around ? Here is a use for it. A moveable Herb Garden.

Just cut out the front, zip tie the lid, easy!

Our resident "smithy" has been at it again, he is determined to get his knife manufacturing just right. With the heat just right, the cooling just right, the tempering just right, Scotty hopes this time to get it 'just right'.
