CHANGES Around Your Shed.

The sorting and moving materials into the shipping containers is in progress. It might even be finished by the time you read this. The next step will be fitting out the vacated shed bays for the equipment and machinery to be installed there. Discuss your ideas with Brian Wood.

COMING EVENTS:

Raffle Ticket Sales Thursday 14th December and Wednesday 20th December. Volunteers needed to help with ticket sales, or just to keep your mates company. Encourage your friends, neighbours, family and others to buy some tickets. Ticket sales on 7th December exceeded expectations.

Laurieton Men's Shed Christmas Party 11:00am Friday 15th December. Don't forget to let Mike Carroll know ASAP if you will be attending.

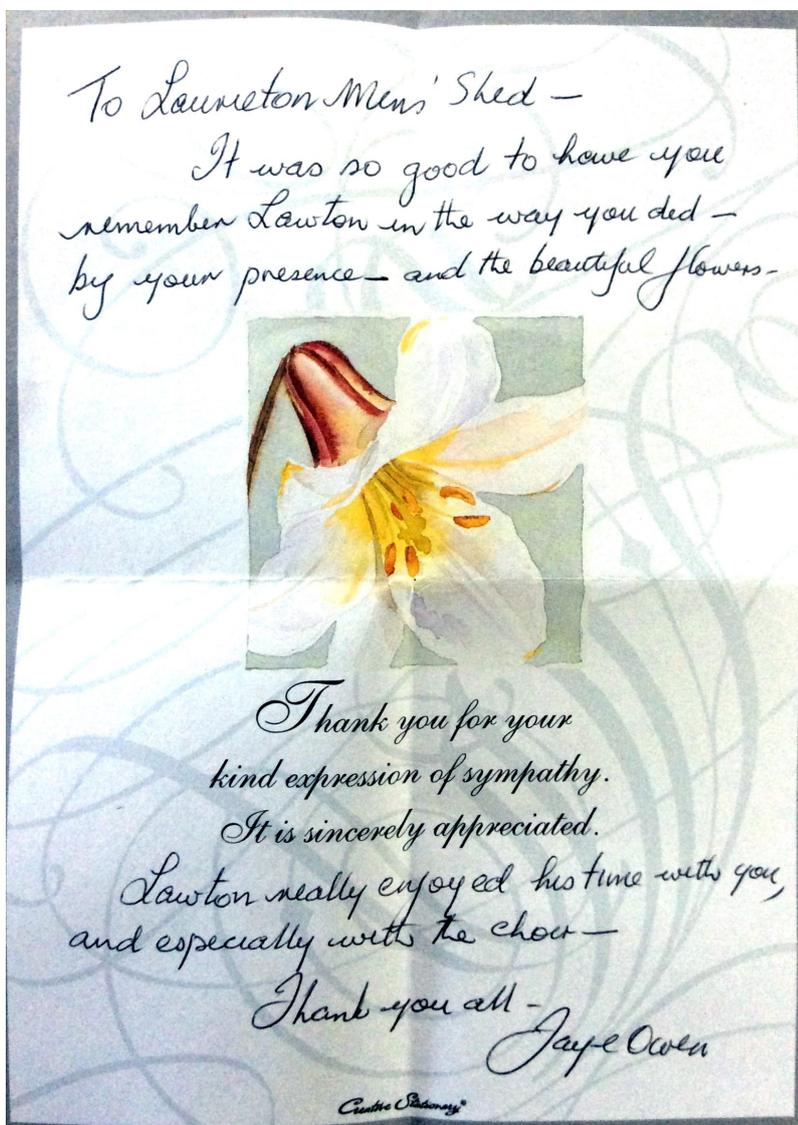

RIVERWALK Markets are on Sunday 17th December, Sunday 7th January and Sunday 21st January. These are usually the biggest markets during the summer holiday period. With some shed members also away during this period resources might be scarce. If you can help, even for just an hour or two, please contact Brian Wood.

December monthly meeting. Tuesday 19th December at 10:30am. The last general meeting of 2017.

Tuesday 19th December is also the last open day of the shed for the year. The shed will reopen on Monday 8th January 2018.

Remembering Jim Munyard.

Some of our current members may have known Jim, who was an LMS member 4-5 years ago. Jim passed away on Thursday 16th November 2017. He was a keen fisherman and wrote local newspaper fishing reports published under the alias of Pedro.

Port Macquarie Ironman Event. In 2018 the event will be run, swum and ridden on Sunday 6th May. This is a major contributor to the funding of your shed with payments received according to the number of marshal points manned. Please mark the date on your calendar now to avoid making commitments to conflicting activities.

Social Cook Up—Friday 24th November

Another enjoyable evening with several members having a go at constructing a variety of Pizzas. Robert Scott produced the focaccia pictured here. I think this proves that he knows what he is doing and his previous result was not a lucky fluke. Speaking of luck, either my luck has improved, or the coaching from my four year old grandson is working. I made UNO twice !!! The next step is to win a hand.

The next cook-up is planned for Friday 19th January. I doubt if you could find better value for a feed and mateship anywhere in the Camden Haven.

Missing Engraver Templates.

An expensive engraving machine was donated to the shed, but during relocation to its proposed installation place some vital components have gone missing. Without these parts a machine worth several thousand dollars is virtually useless.

A couple of trays of brass character templates/stencils were last seen outside the shed office area, but now cannot be found despite several searches through the shed complex. A sheet of brass plate intended for the making of engraved plaques etc. has also disappeared.

If you have moved these items or know their whereabouts please advise a member of the committee. If the items are not found they will be assumed stolen and the Police will be engaged to assist in their recovery.

A concerned shed member will pay a \$50 reward to any member who finds and returns the missing items. If the goods turn up without any explanation then the money will be donated to the shed.

Treasurer Seeking Assistance.

The treasurer is looking for a man to volunteer to assist him with some of the treasurer activities. Training will be provided. Person needs to be a reasonably regular attender (1-3 times per week except when on holidays) and have and use a computer for email etc. Banking cash could be on the list as well as collecting the re-joining money for year up to 2019. Talk to John Denyer.
