How to stop COVID-19

The Politicians can't stop it.

The Health Services can't stop it.

YOU CAN ... by following directions and advice from Government and Health

Authorities: www.health.gov.au and www.nsw.gov.au/covid-19

Stay home, keep safe, and maintain communication with family and friends.

If you need to talk with a fellow shed member, the Management Committee can help you find their phone number or email address (with their consent). Committee phone numbers are on the LMS web site.

For a Laugh.

Ponderings:

*Do twins ever realise that one of them is unplanned?

*Why is the letter W, in English, called double U? Shouldn't it be called double V?

*Which letter is silent in the word "Scent," the S or the C?
