Happenings Around Your Shed.

2020 AGM.

The Annual General Meeting was held at the Laurieton United Services Club on 15th September. It was good to see several members nominated to participate in the management of our shed. The four vacant committee positions were all contested and the following members were elected: President - Brian Wood, Secretary - Mike Carroll, and two additional positions - Austin Grice and Lance Kellett. Full details have been published in the meeting minutes.

Rotary Club Book Sale.

LMS members assisted with the setup and shutdown for the book sale at LUSC on 25th September and 12th October. Mostly the heavy lifting of boxes of books. Thanks to all who helped.

John is Cooking Lunch Again.

John Toth continues to provide lunchtime meals on Tuesdays & Thursdays. All food is prepared and served according to COVID requirements. Look for the planned menu list on the wall near the main entry door. John plans to add "Keto" meals soon.

LMS Membership Renewal.

Annual fees (\$30) were due on 01/09/20 but there is a 60 period of Grace. Beyond that men with unpaid fees won't be allowed to participate in Shed activities.

For a Laugh.

Profesional Jokes

A doctor and a lawyer were talking at a party. Their conversation was constantly interrupted by people describing their ailment and asking the doctor for free advice.

After an hour of this, the exasperated doctor asked the lawyer, "What do you do to stop people asking for your legal advice when you're out of the office?"

"I give it to them," replied the lawyer, "and then I send them a bill."

The doctor was shocked, but agreed to give it a try. The next day, still feeling slightly guilty, the doctor prepared the bills. When he went to put them in his mailbox for collection, he found a bill from the lawyer.

What's the definition of a good tax accountant?

Someone who has a loophole named after him.

There are three kinds of accountants in the world. Those who can count and those who can't.

Why did the auditor cross the road?

Because he looked in the file and that's what they did last year.

When I was in the pub I heard a couple of plonkas saying that they wouldn't feel safe on an aircraft if they knew the pilot was a woman. What a pair of sexists. I mean, it's not as if she'd have to reverse the bloody thing!
