Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

COVID Awareness. While the sharing of interests, skills and ideals is encouraged at the shed, one thing we don't want to share is infectious disease. If it is six months or more since your last jab, consider getting a boost. If you're unwell, please stay away from the shed.

Happenings Around Your Shed.

Bunnings BBQ Saturday 30th September.

A successful day thanks to the organisation by Barry Paynting and all the volunteers who helped with preparation, ran the BBQ, and packed up.

Shed Open Hours.

The shed will only be open for normal operations from 8:30am to 2:30pm on Tuesdays and Thursdays until further notice.

Port Macquarie National Seniors.

A group of almost 30 seniors visited the shed on 26th September to see our facilities and enjoy a pizza lunch and a few drinks. All were very impressed, with a few expressing interest in joining the shed. An email of thanks was received soon after the event.

Land Tenure Progress.

The Shed Management Committee is proceeding with acceptance of a 10 year lease of the site from ADBRI. Pursuit of the long term goal of freehold title to the land will continue.
