Laurieton Men's Shed

Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

Happenings Around Your Shed.

New Shed.

Unless you have visited the Laurieton Men's Shed recently you might not be aware of the recent addition of a new shed on the property. Even if you have seen the new shed you might not be aware of how it got there. Procurement was arranged by Richard Curry, the site was prepared by Peter Atkins, and a team of men directed by Brian Wood completed the installation with heavy lifting by Mid Coast Cranes. The pictures below illustrate the process.

Intentions are to use the shed for storage, and Robin Dobson has commenced installation of an electronics workbench.

Community Engagement

The Kendal Preschool BBQ (27 Oct), the stall at the John Oxley Bicentenary event (28 Oct), and visits by Local and State government dignitaries and local high school students (31 Oct) provided exposure of shed activities to the community.

A **Metalophone** built by Scotty and helpers has been installed at Laurieton Lakeside Aged Care Residence and was reported in the Camden Haven Courier. Feedback indicates that it is being enjoyed by the residents.

Coming Events
