Shed Phone: 5519 8019

The Editor: [kamaru@spin.net.au](mailto:kamaru@spin.net.au)

**Our Vision Statement:** The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

**Next General Meeting: Tuesday 18th March @ 10.30. "This is Your Life speaker: "Chat". It's your shed. Something missing; something wrong. Your opportunity to have your say.**

**Things to remember: Appropriate clothing in the workshop; NEVER use any of the bigger machines alone, always have a 'sidekick.**

**Have a look at the First Aid room. See what is there and where it is. If you loose a finger, there may be a replacement there???**

**You are needed: Raffle ticket sellers at LUSC  
Also at the Riverwalk Market:  
Give Richard a heart attack by volunteering.**

**Garage Sale: 12 & 13 April. We are starting to get this together. Got something to include, bring it along. And we are looking for some help closer to the time. Is that you??**

Here is a neat idea for that corner. Cut a door in halves, paint a contrast colour, then add shelves. Really dresses a room up.

DIY Door Shelf

Please remember to sign the attendance book every time that you come and leave the Shed. This ensures that you are covered by our Insurance. And your \$2 in the tin helps keep the Shed alive.

Do you know who you are? Do I know who you are? If you wear your name badge, we will all know !

**Our neighbour, The Diamond Waters Park, is preparing a submission to the Port M. Council to have Diamond Head Rd., recognised as a 'connector' road from the Park to Laurieton. Diamond Head Rd. to be added to the "Future Walking and Cycling Network" ( As is happening along The Boulevard). To travel from the Park to town by foot, cycle or 'gopher' means being on the road. Extend the public bus network to include Diamond Head Rd. to the Park. As this will be good for the Shed, send in your submission to the GM of Council.**

*During a lull at the AGM, the question was asked, " is there someone who would like to tell us what the shed means to them?" After a moment of silence, a young man stood and said, that he had found a place here where he felt at home, accepted by all and where he could get involved in activities that interested him. Thanks Toby. We sometimes think that the Shed is for old blokes, retired men with nothing to do. But it is for all men. So if you know someone, young or old, who could benefit from the company here, bring them.*

**From QANTAS Repair division.....**

**It takes a college degree to fly a plane, but a high school diploma to fix one. After every flight the plane is checked and a report given.**

**PILOT: Left inside tyre almost need replace... SERVICE Almost replaced the tyre.**

**P: Test OK.except auto-land very rough. S: There is NO auto-land installed.**

**P: Friction locks cause throttle lever to stick. S: That's what the locks are for.**

**P: Aircraft handles funny. S: Aircraft warned to straighten up and be serious.**

**P: No 3 engine missing. S: Engine found on right wing after a search.**

**P: Target radar 'hums'. S: Reprogrammed target radar with "Lyrics".**

**P: Evidence of leak in right landing gear. S: Evidence removed.**

**P: Something loose in cockpit. S: Something tightened in cockpit.**

**P: Suspected crack in windscreen. S: Suspect you're right.**

**P: A mouse in cockpit. S: A cat installed.**

**The mother of a teenager was at the Doctors.**

**"He must have a temperature, He hasn't taken our motor-bike out all day". said the mother. "Let me ask you," said the doctor." Do you have a thermometer?" "No", she said, "We have a Kawasaki".**
