**Vision Statement:** The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

## Happenings Around Your Shed.

### Christmas Party - Friday 12<sup>th</sup> December.

About 40 men and partners enjoyed generous servings with a choice of three main courses and two desserts at the Kew Country Club.

Thanks to Richard and his helpers for organising a welcome social event.

### Bees.

The little critters have been busy during spring making the amber fluid we all enjoy. No - I'm not talking about beer. Honey is available at LMS member prices - \$11 for 1kg jar, and \$7 for 500gm jar.

### Festive Season Closure.

The shed will close on Friday 19<sup>th</sup> December - after the P&C Social afternoon - and reopens on Monday 5<sup>th</sup> January 2026.

During the closure period maintenance of shed equipment will be performed. Also, electrical testing and tagging will be done on all mains powered electrical equipment at the shed. This includes electric tools in storage for future garage sales as well as tools in the workshops. Brian will be coordinating the testing, and additional helpers are needed to find all devices, and put them away after testing. Contact Brian if you're available to help.
