Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

Happenings Around Your Shed.

Essential Maintenance during shed closure.

During the holiday shed closure the opportunity was taken to service and repair the car hoist without too many shedders getting in the way.

Good progress was also made on the electrical safety testing and tagging of mains power tools and machinery.

The garden and grounds team kept plants alive and the place looking neat and tidy.

Rotary Book Sale.

On Wednesday 7th January a bunch of Men's Sheddors assisted the Rotary Club with the transportation a couple of tonnes of books from shed storage to the Laurieton United Services Club. This is definitely a practical demonstration of "many hands make light work". The return trip for far less books (depending on how many they sold) will commence at 8:30am on Monday 19th January. If you have a bit of spare time, please come along to help - mostly with unloading trailers and utes at the shed.
