Our Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

COVID AWARENESS: It's still around but now has similar status to the 'flu that we have been living with all our lives. If you are unwell with anything, please stay away from the shed. There are some things we do not want to share!.

Change of Editor: Thank you Michael Barrow for your years of preparing and sending out the Shavings newsletter. But the purpose of the Shavings remains the same. A place where you can hear what is happening at your shed, and things in the pipeline. We want to hear from you, the 'shedders', ideas that could make a difference, things that can be done better, and news and ideas that may be of interest to other men.

Note the new email address for the Shavings. kamaru@spin.net.au

GENERAL MEETING. 15th October. 10.30am.

Your Shed, your meeting. Come and catch up with what is happening around the Shed, and let us know if there is something that you want to bring up, (no, not your lunch!) at this meeting.

Don't complain about your shed if you don't tell us what we can do better or different. See you on the 15th!

THINGS TO BE AWARE OF:

Sign in/sign out. Members are reminded that it is important to sign in and out in the attendance book every time you visit the Shed. This is primarily for use in a major incident where emergency services need to know if people are accounted for.

Don't forget your Name tag—it helps us know who you are.

What's on? Pizza and Cards. Frid. 18th Oct. from 12.30. Back to the usual Friday after the monthly meeting. Put your name on the list so that we know how many to feed.

CHOIR: Tuesdays 9.00am. A number of performances on the books. New singers always welcome. Contact Graham King for details.

COMPUTER GROUP: Help with that PC or phone that won't do what you want it to do. John (Wed.) and Mike (Thurs) will help you solve the problem. Some computer for sale.

Writing Group: Thurs. 10am—12 noon. Tony Robinson provides assistance to members who want to document their memoirs, family history and the likes. All welcome.

I WENT BY THE HOUSE I GREW UP IN, AND ASKED IF I COULD GO IN AND LOOK AROUND. THEY SAID NO AND SLAMMED THE DOOR.

MY PARENTS CAN BE SO RUDE.

PROVERB: *The gullible believe anything they're told, the prudent sift and weigh every*
