Our Vision Statement: The Laurieton Men's Shed aims to be the venue of choice for men of all ages in the local community; to share their interests, skills and ideals in a spirit of mateship and a place to benefit their health through participation in a variety of activities with a sense of belonging.

COVID AWARENESS: It's still around but now has similar status to the 'flu that we have been living with all our lives. If you are unwell with anything, please stay away from the shed. There are some things we do not want to share!.

GENERAL MEETING. 19th November. 10.30am.

Your Shed, your meeting. Come and catch up with what is happening around the Shed, and let us know if there is something that you want to bring up, at this meeting. (*no, not your lunch!*) Don't complain about your shed if you don't tell us what we can do better or different. See you on the 19th! And we want to introduce again the "Who am I" segment, when you can give us a 15 minute insight into your past life. Where you come from, what you have done, your interests etc. Please join the queue after the meeting, to be included. Also there may be an auction at the meetings.

THINGS TO BE AWARE OF: Sign in/sign out. Members are reminded that it is important to sign in and out in the attendance book every time you visit the Shed. This is primarily for use in a major incident where emergency services need to know if people are accounted for. Don't forget your Name tag—it helps us know who you are.
